

Upgrade for Advanced Support

Bark for Schools OnCall helps schools stay on top of urgent alerts, providing 24/7 access to a highly trained school safety specialist who will review all severe alerts and personally reach out to your review team.

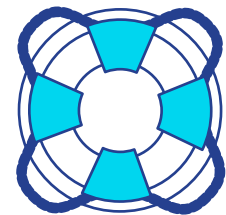

In-Person Calls

for urgent alerts that require immediate attention

Dedicated Support Staff

trained to effectively communicate in crisis situations

Peace of Mind

that a live person is reviewing your alerts

OnCall specialists will notify you of severe and imminent issues, such as:

Threats of Violence

Suicidal Ideation

Self-Harm

Bark for Schools monitoring and web filtering will remain free forever!

OnCall is an upgraded, paid service that provides your school with a dedicated specialist who will contact you via email, text, and phone call.

You get peace of mind knowing someone is always available to alert you to urgent dangers facing your students — at a fraction of the cost of other safety solutions.
